From the DOM

Greetings from the beautiful state of Utah,

We are currently here on our last planned mission trip of the year. There was supposed to be 20 people on this trip, but with the Microsoft glitch causing problems in travel, 17 of our people could not get rebooked for the trip. The three of us that were able to make it arrived safely and were able to work with the people of Hildale, Utah.

I want to say thank you to all who have prayed and given to our mission trips and causes this year. We have had some great trips this missions season. We distributed several Blessing Bags given by you all, at family community night and to members of the church, while we were in New Mexico. Thank you for preparing those, as it truly blessed those that received them. Our New Mexico trip was successful as we were able to complete repairs on the missions house, work in a couple houses on the reservation, and help them conduct a VBS, where 25 children accepted Jesus as their Lord and Savior.

Please continue to pray for the continued efforts of Elim Haven Church to pour into and disciple these children.

As we go on these missions trips, I am reminded there is spiritual warfare all around us. There are many who have been blinded by the darkness, and their minds polluted by the enemy. It reminds me of Luke 8:40-48, where Jesus healed the women with the issue of blood. She had been everywhere and spent everything to be healed. Her last hope was to be in the presence of Jesus and be in position to grasp His garment. Our calling, is to point people to Jesus, and tell them He is all they are looking for. Let us never forget those that are hurting and lost, and remember their need for the Savior. Thanks again for the privilege to be your Associational Missionary.
