**Minister Finances, Wills and Living**  
**Wills**  
**Informational Meetings**  
**2021**

The LBA is hosting two meetings to help Ministers navigate the complexities of clergy compensation and tax compliance.

- 1- Tony Neal, CPA will be at the LBA on **Thursday, October 21st** at 6pm to present information on clergy compensation and tax matters. Tony is a former State Missionary with the Georgia Baptist Mission Board. Now self-employed, he continues to provide financial and tax guidance for churches and ministers seeking to be above reproach in all financial matters. This seminar is open to all ministers and church treasurers/financial committee members.
  
- 2- On **Thursday, October 28th** at 1pm at the LBA, there will be a presentation regarding Wills and Living Wills. Georgia Baptist Foundation has a program that will prepare these documents free of charge to Sr. pastors and other full-time ministers. Others ministers serving in our churches can have these documents prepared at an extremely low rate.

Please let us know if you would like to attend either of these events.

We hope you can make plans to be in attendance and take advantage of these amazing resources the LBA is providing to love and care for our Pastors and Churches.
