

GIVE LOCAL DONATE BLOOD

There's nothing scarier than a blood shortage.

That's why the **Laurens Baptist Association** is partnering with Sheppard Community Blood Center to collect blood, platelet, and plasma donations this fall!

Donate blood for the LBA on October 12 - 16 at Sheppard's downtown Dublin donation center.

After donating, you will receive points you can redeem in Sheppard's online donor store. Donate those points back to the LBA, and Sheppard will make a monetary donation under your name!
